# Taste of Home

The Okanagan's annual food and cultural entertainment event goes online for 2021.

Everyone has a food story!  
What is your family's favourite recipe?  
Do you make a certain recipe for special occasions? Do you make a recipe you learned from your parents or grandparents? What is the story behind the recipe that makes it special, powerful, comforting, emotional, or connective?

Submit your recipe and food story online by February 9:

**[GLOBALCITIZENEVENTS.COM/TASTE-OF-HOME](https://globalcitizenevents.com/taste-of-home)**

Several recipes will be posted every week after February 8. Selected submissions will receive a \$25 gift card to purchase ingredients to make the recipe and will be included in the *A Taste of Home Cookbook: Recipes from Around the World from People Who Now Call the Okanagan Home*.
